We are homeowners in Corte Bella (Sun City West) since 2007. We moved here after saving for a retirement we thought we could afford. The projected waste water and water increases will affect our way of life. The proposal places a hardship on all home owners in C.B. After living in Phoenix for 27 years we can not understand the burden you are placing on us. We understand that an increase is necessary during these trying times. The rate increases you propose are beyond fair. We love Corte Bella, please take the time and come to a reasonable conclusion in this matter. The dockets are Nos.
